

FORSYTH PSYCHIATRIC ASSOCIATES

Sophia Yuan, MD, PhD

Psychiatrist

Hire a Counselor, Therapist, Social Worker or Associates

JOB DESCRIPTION:

Counselor, Psychotherapist, Social Worker, family or marriage counseling or Associates

WHY US: You will work with awesome people in a family oriented, positive and supportive environment with competitive salary and benefits, flexible work schedules and low workload. Our practice is an Equal Opportunity Employer and we are looking forward to having you join our great team who is committed to serve the employees and the patients. We value life and work balance.

SALARY AND BENEFITS:

This great position will offer a wonderful lifestyle, great life and work balance, supportive and positive work environment, appreciative and respectful clients, flexible work schedule, competitive salary. We offer \$45-\$60 per patient, meaning that you can make up to \$ 93,600 to \$124,800 annually for a full time position. We handle all your insurance credentialing process and claims, and cover your EHR and malpractice insurance. If you schedule 30 or more patients weekly, you can get medical, dental and vision insurance benefits. You make your own work schedule besides some evenings or weekends availability for physical visits or zoom meetings with the clients. We have plenty of patients and a strong team to fill out your spots easily, quickly and efficiently, which is the most important issue for a therapy job as an individual contractor. You will get 1099 forms. You can only work remotely. But we prefer you to work both at home and in the office.

JOB TYPE: Full time or part time. Contract. You make your own work schedule besides some evenings or weekends availability for physical visits or zoom meetings with the clients. You can work at home, in the office or both.

JOB DESCRIPTION:

Seeking a therapist who is interested in providing individual therapy to mental illness and substance use clients in a private outpatient psychiatric clinic. The practice offers evidence-based, best practice treatments and staffed by a psychiatrist, 3 physician assistants, and 5 licensed professional therapists.

QUALIFICATIONS:

- Solid therapy skills. Cognitive behavior therapy and mindfulness skills are required for this position.
- Excellent oral and interpersonal skills: Has active listening skills. Appropriately, clearly and effectively communicate with others. Has a mature and professional manner and non-judgmental and positive attitude.

2554 Lewisville-Clemmons Rd, Suite 209, Clemmons, NC 27012
