- The use of current technology is readily adopted by those with whom we will work as counselors, and they are comfortable with it. As counselors, we must also be comfortable with ever-changing technology, remain up-to-date with current trends, and be able to function at the same level to reach them where they are.
- Technology, and the use of it, is an area that will continue to have an influence on employment for our clients and ourselves as counselors. Our future, and our clients' futures, will include the use of technology.

Summer Session I: June 21, 2010 - June 28, 2010

June 21, 2010 - June 28, 2010

Summative papers have been graded. The grades posted in your gradebook, and PDF versions placed in your digital drop box. Please download it to your computer for your records (as well as copies of all previously graded work in the drop box). This course Blackboard shell will likely be unavailable to you after the next two weeks or so.

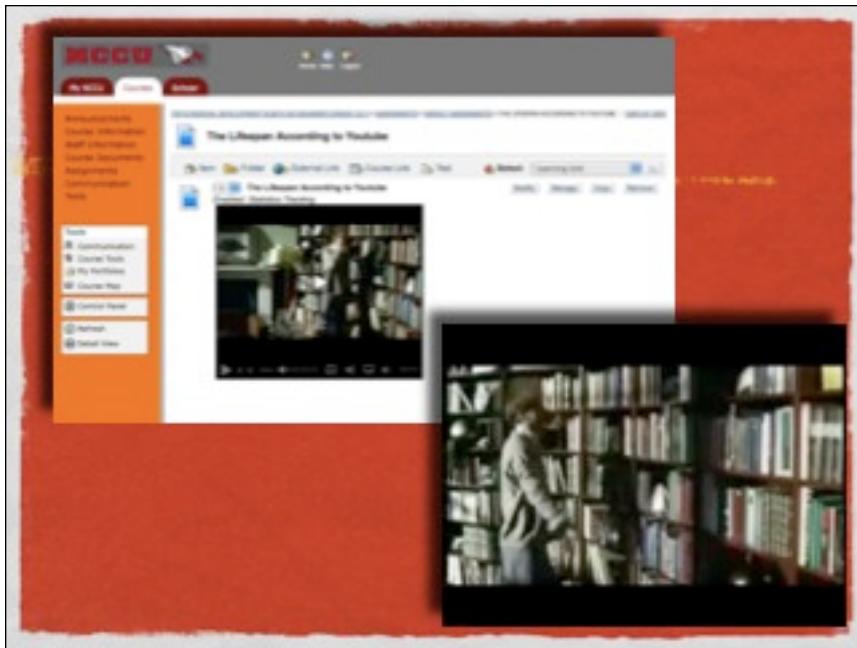

Field Experience Grader - Final comments

Your field experience papers have been graded, your grade posted in your gradebook, and PDF versions of the graded papers downloaded to your digital drop box.

If you are a summing major, you will need to download the graded version to your own computer. You will need to revise the paper and submit it in your FolioBox portfolio (you will also need to do this for your Summative Paper).

Don't forget that your final assignment (the summative paper) is due bright and early!

Moral Judgment of the Child

- *Moral Judgment of the Child* – written in 1932, translated in 1965 – still a landmark piece of work that has influenced such theorists as:
 - Kohlberg (moral dev.)
 - Gilligan (women's "voice", moral development), and
 - Loevinger (ego development).

Prompt 4:
How might counselors facilitate optimal development and wellness over the lifespan?

 Wellness

Optimal Development is essential to the social, cognitive, emotional and educational development. Development is ongoing and takes place from birth to death.

There are several stages to development:

- Newborn: 0-1 Month
- Infant: 1 Month to 1 Year
- Toddler: 1-3 Years
- Preschool: 4-5 Years
- Early Childhood: 6-12 Years
- Adolescence/Later Adolescence: 13-24 Years
- Young Adulthood: 15-30 Years

Turnabout - \$1,500

Clinical Placement Application

Please begin your clinical placement application process by selecting an application to begin your placement. This application is independent of applying for positions or interviewing through Internships – you must still register for the position for any other position or HEDS. This application provides the Department of Education Education with information that is necessary to ensure that our staff have enough subject knowledge to provide supervision for all of our students.

Please do not complete this application unless you are able to do so for your preceptorship supervisor or teacher. If a full-time placement, this application must be submitted for HEDS use. If it is a part-time placement, this application must be submitted via Director SA.

I have read and understood the statements above.
I have been fully completed this application for my preceptorship application or the advisor.

The image displays two side-by-side screenshots of a website interface. Both screenshots feature a dark header bar at the top with the text 'Students' Page' and 'Department of Student Affairs'. Below the header is a navigation menu with several tabs: 'Home', 'Academic', 'Student', 'Residence', 'Student Support', 'Student and Community', 'On-Site Site', 'Search', and 'Log Out'.

The left screenshot shows a sidebar on the left with a 'Navigation' section containing links to 'Student Registration', 'Student Support', 'Student Academic', 'Student Activities', 'Student Support', and 'Student and Community'. A 'Log In' link is also present. The main content area lists five items under 'Recent Activity':

- Residence Projects**: Information about the Residence Project, including a link to 'View Details'.
- Final Evaluation Forms**: Information about final evaluation forms, including a link to 'View Details'.
- Recording Agreement - Nomination to Record**: Information about recording agreements, including a link to 'View Details'.
- Nomination of Agreement**: Information about nomination of agreements, including a link to 'View Details'.

The right screenshot shows a similar header and navigation menu. The main content area features a large red box with the title 'Model Indicators of Student Progress' and a sub-section titled 'Model Indicators of Student Progress'. It includes a paragraph of text and a 'View Details' button. Below this is another section with a red background and the text 'Please evaluate your institution's readiness to implement the model indicators for progress. Then select response to questions.' followed by a 'View Details' button.

Both screenshots have a large orange rectangular area covering the bottom half of the page content.

SUPERVISION

21 NCAC 55 .011E FACE TO FACE SUPERVISION DEFINED

For the purposes of this Chapter, face-to-face clinical supervision means supervision that is live, interactive, and visual. Video-supervision is permitted as long as the session is synchronous (real time) and involves verbal and visual interaction during the supervision as defined in Rule .0209 of this Section.

History Note: Authority G.S. 80-314(b);
Eff. July 1, 2006;
Amended Eff. January 1, 2010.
